

Who We Are

People's Cancer Network is a social network for everyone affected by cancer. We are an independent website not associated with any organization, hospital, or not-for-profit. People's Cancer Network was developed by an oncologist and medical personnel with direct clinical care experience who understand the needs of those affected by cancer. The goal of the site is to enable users to exchange information and support in hopes of helping you through your cancer journey.

Our Mission

Our mission is to help you through your cancer journey by providing a community for everyone affected by cancer.

Who Should Join

- People who have, had, or may have cancer
- Friends, family members, and acquaintances of those affected by cancer
- People who have lost someone to cancer

What We Offer

- A full social network
- User auto-matching
- Advanced search
- Chat and Video Chat
- Volunteering & Assistance

What We'll Never Do

- Make Medical Recommendations or Suggestions
- Solicit donations
- Release or sell private information to third parties
